Order Direct to Your Suppliers with Ease

VisionWeb and KeyMedical Software, Inc. have integrated VisionWeb's online ordering service with KeyOptical®. Using the integration, you can order electronically to your suppliers without having to access the VisionWeb site or re-key order information into another ordering system. This solution allows you to virtually eliminate phoning or faxing your suppliers for order processing. Your practice will save time and reduce duplicate data entry, while gaining the benefits of:

- Direct access to suppliers on the VisionWeb network
- Custom catalogs and error checking to improve order accuracy
- Up-to-date order tracking to manage customer expectations
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

Save Time and Reduce Duplicate Data Entry
