

Practice Management Integration

Order Direct to Your Suppliers with Ease

VisionWeb and RevolutionEHR have integrated VisionWeb's online ordering service within the RevolutionEHR practice management and electronic health record solution. Using the integration, you can place online orders for contact lenses, spectacle lenses, and frames, without having to access the VisionWeb site or re-key information. Your practice will save time and reduce duplicate data entry, while still gaining the benefits of VisionWeb's online ordering service, including:

- Direct access to suppliers on the VisionWeb network
- Custom catalogs and error checking to improve order accuracy
- Up-to-date order tracking to manage customer expectations
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

Save Time and Reduce Duplicate Data Entry
